Hello,

I was at the RedDot BrewHouse at Boat Quay on Saturday, 2<sup>nd</sup> April, watching the Cricket World Cup Final with over 300 screaming fans, and I'm writing to let you know that I was very impressed by the way your staff handled the event. The place was completely packed and chaotic, but they managed to take orders, deliver them and bill them quickly and efficiently – making sure that no one had to wait more than a few minutes. Most importantly, they remained calm and cheerful throughout. Managing 300 people in various states of excitement and drunkenness is not an easy job, but the crew managed to

pull it off really well. Just thought I would write in to let you know that the fantastic service was greatly appreciated by me and everyone else at my table. Please pass on the cheers to the appropriate people. Thanks!

**A thank you note**

Hi Daisy,

Thank you for your e-mail.

On behalf of Pauline and the ACCA Membership Services Executive team, I would like to thank you for helping us organize the food and venue for this event.

I would like to start off by saying that we love the big space that we had which was able to accommodate all our guests for the evening. We also enjoyed the food (Pauline says she loved the Mushroom Aglio Olio) and the beer of course (the Monster Green) which was a hot favourite for the night. You guys have a great weekend ahead.

Thanks for having us at redden! Everyone definitely had lots of fun! The place is amazing, the food is great, beer is fantastic and the people are all very friendly and helpful. I'm sure redden left a good impression in all of us. =)

Special thanks to Lyra for being so attentive to all our needs and being my personal hair stylist. Really appreciate it! Thanks too to the helpers in the noon to help move the tables and chairs umpteen times till we were all satisfied with the table arrangements.

We are very impressed with the arrangement of the tour and having Mr. Ernest Ng giving our students a very informative talk. Our students had enjoyed the visit and of course the beer and the snacks. We look forward to visiting Red Dot again next year.
