Testimonials

"Hihi! We just spoke to our friends and relatives.
The food overall was great! There were extra mentions of mushroom soup, tomato pasta, prawns and creme brûlée being good.

Wedding decor, many praises for it! Thank you very much for accommodating to my request of dark red roses. It was all very fitting and beautiful. The atmosphere and service was great!

We totally love Red dot for its great ambience (meet the needs of garden feel), location (near to bus stop and a huge carpark), sheltered garden area and most importantly being a dog friendly area which meet the needs of bringing our furry dog to join us during this important day.

The myriad range of food was another key in the selection of the venue. We receive great reviews from our guest for the great food and the amount of generous regardless of vegetarian, normal and halal food! Most importantly we receive fantastic service and prompt updates before the event.

Thanks to Stanford and Tarah and the team for the great service! We appreciate it!

Testimonials

The crew was really helpful and the wedding was pretty much customizable to our needs. Venue was absolutely gorgeous even with minimal decor, definitely a step away from traditional weddings and the communal setting was very heartwarming as well.

Food of course was so amazing that we went back twice to eat again! Best part was just that the crew were all very accommodating and helpful and we just loved that everything was so flexible from arrangements, to food, to the decor too. Thank you for the amazing wedding and it is one we will never forget that's for sure!!

Thank you KS, Stanford and team. We enjoyed our night. We loved the vibe and decorations done up.

The favourites were the crispy pork, wings and petite 4. The wines were great too! Thanks again for the memorable night 🥰
